### Annual General Meeting

On April 8th, SPID held its Annual General Meeting at the Fanny Bay Community Hall. Fifty-three residents attended to hear reports from the various committee chairs including finance, the water department and the fire department (report provided from the SPID Fire Chief, Terry Hoffart). The plans for this year's water main construction project were also available for viewing. The SPID trustees said good bye and thank you to Frank Green for his invaluable years as chair of the finance committee. Ratepayers also voted for two trustee positions. New to the Board is Allyson Roy and returning to the Board is Bill Trussler.

**Yard Waste Questionnaire** Are you a burner, a chipper or a composter? SPID would like to hear from you about your experience with yard waste disposal. A questionnaire is available on the website (spid.ca) or copies can be obtained

at the SPID office. Responses are requested before the end of May. Your responses to this questionnaire will help the SPID board gauge the level of concern and the extent of the issue in our community. Thank you in advance for completing the questionnaire.

**Water Project Update** The construction for the water project got underway in the second week of April and will continue until mid July. Pipe is being laid starting at the south end of Tozer and that work will proceed along the length of Tozer before moving to Ships Point Road, Baynes (south loop) and Park Road. The contractor will be on site from 7 am to 7 pm, Monday to Friday (except statutory holidays). Please obey all traffic signs and travel with extra caution in work zones. The contractor is responsible for site safety. Please stay clear of all construction activity and consider re-routing your daily dog walk or exercise route if possible. Emergency access (medical and fire) will be available at all times. *(Cont'd on page 10)*

## Memorial Announcement

A non-religious memorial will be held on

**Saturday, May 6th**

**1 P.M. at the OAP Hall**

418 Ships Point Road in Fanny Bay, BC  
**for Margaret (Marg) Griffiths,**  
wife of the late Bus Griffiths.

Marg lived in Fanny Bay from March, 1945 to November 30, 2008 when she moved to Creighton, SK. In 2012 she moved to nearby Flin Flon, MB, passing away there after a short illness in 2016.

The OAP Hall has been chosen for the memorial service for Margret Griffiths. There is a story behind the reason as explained here by her son Bert Griffiths.

In 1944 when dad came over with Fletcher Logging, the first group lived in the old Japanese camp up behind Fanny Bay. They put in the first part of the logging road and then built the camp and the log dump. Dad helped build the cook house with a dining area and an attached kitchen. I believe they used quite a bit of the lumber taken from dismantling buildings in the Japanese camp. Mom, my baby, brother Steve and I came over in March of 1945 and lived in a house owned by Charlie Tweedie. A little one bedroom house on the mountain side of the highway just south of the culvert under the highway south of the FBI. It, along with other Tweedie houses were torn down years ago. In those days there was a little bridge where the culvert is.

Fletcher's Logging closed in 1954/55 and the camp stayed empty for a while. The Anglican Minister approached mom and dad and asked if a church could be built in Fanny Bay. Dad said to leave it to him and he

would see what he could do. Jack Fletcher agreed that the old cook house could be given to the community to make a church. The building would have to be cut in half as it was too big to get across the Wilfred Creek bridge.

Dad then contacted Jimmy Little who owned the land across the highway from the Community Hall and asked him if some land could be purchased to put the church building upon. Jimmy said he would donate the land and the two agreed on the location of the new church.

Dad, contracted Ed Sawchuk and Ed's worker and I helped move the building which Ed had separated between the kitchen and the dining area.

Both pieces were left on the donated property over the winter as separating the two parts had taken Ed most of the weekends of the summer. Unfortunately, the dining area which was the largest part collapsed during the heavy winter snow of that year. As a result the kitchen part was upgraded with lumber from the other part and became the church. It was christened Saint Katherines Anglican Church as Jimmy Little's wife was named Katherine. I was confirmed in

that building, dad was the people's warden and mom played the piano for the hymns. A couple of years later, the Minister was transferred and the new Minister spent most of the time when he should have been reading scripture, chastising the congregation for not putting enough money in the collection plate. I stopped going and so did most of the others.

Eventually the building was left empty. I'm not sure how the OAP came into possession of it, but because of the family connection with the building I thought that having the memorial in the OAP Hall was more meaningful than in the Fanny Bay Community Hall, even though that hall has a lot of family connections too. The OAP Hall wouldn't be there now if it hadn't of been for my family, so that is why I chose it to hold mom's memorial service. Dad's service was held at the Union Bay Community church and the lunch was held at the Fanny Bay Hall. The two paintings that are in the F B Hall have a lot of connection with Fanny Bay. The train picture is of the old VL&M locie pulling logging flat cars out of Wilfred Creek canyon. The mill picture commemorated the Shingle Mill that got torn down.

*Following the service, the OAP Woman's Association will provide a lunch.*

## Victoria Baroque Players

### Appearing In Concert At Fanny Bay Hall

Saturday, May 6th will see members of the Victoria Baroque Players at the Fanny Bay Hall, performing a varied programme of gems of Baroque chamber music, including music by Bach, Handel, Vivaldi, Telemann, Purcell, and Schmelzer, played on baroque instruments. In addition to the music, the Community Association will be serving scrumptious desserts, prior to the start of the concert, to create a perfect combination of fine music and fine food. Tickets are \$25 including desserts etc and are available at Weinberg's Good Food- Buckley Bay, Laughing Oyster Books - Courtenay and Salish Sea Market- Bowser.

Please get your tickets early!

The Victoria Baroque Players present high-quality, high-energy, and engaging performances of music from the baroque and classical periods. Playing on the instruments of the 18th century, the historically-informed ensemble brings audiences closer to the sound world of the period, embracing the dance-driven rhythmic vitality, as well as the lyrical and conversational aspects of baroque music.

The featured musicians are:

**Finnish-born Soile Stratkauskas - Flute** moved to Victoria in 2010, and quickly established herself in the West Coast early music scene. Her appearances include performances for the Early Music Society of the Islands, Pacific Baroque Festival, Early Music Vancouver and Pacific Baroque Orchestra concerts, including solo roles performing Benda's flute concerto and Bach's Brandenburg Concerto no.5. After finishing her undergraduate degree at the Royal Northern College of Music in Manchester, she continued her studies at the Royal Academy of Music in London, gaining her Master's Degree with distinction. In 2013 Soile was elected to become an associate of the Royal Academy of Music. She has played with many prominent period instrument orchestras in the UK, including the Orchestra of the Age of Enlightenment and the Gabrieli Consort and Players, and recorded Haydn's "The Seasons" with the latter in June 2016. Soile is the founder and driving force behind the Victoria Baroque Players.

**Chloe Meyers - Violin** Heralding her beginnings as a true northern Albertan, Chloe began her violin training at the age of three. Her studies led her to the University of Victoria, and then McGill University, where she fell in love with the baroque violin.

(Cont'd on page 7)

## Who's New in the Community.

What would you imagine a woman with a background in clinical psychology, an Independent Living Community support worker who works with youth in the Comox Valley, and, in fact, was the first outreach worker in Canada, does when she wants to try something that is a total change? Well if you are Monica Goodheart, you buy a food truck, and set it up on the Fanny Bay wharf!

Monica has lived in Fanny Bay over 20 years. She has always been interested in food, making and selling her jams at local markets and craft fairs, and she loves to cook. The idea of a food truck first came to her when the Brico closed. Finding one to buy was not a quick process. After searching the lower mainland and Vancouver Island for a couple of years, she found one right here in the Valley through a connection with a friend she has known for 20 years.

She has been the owner operator now since she opened just before Christmas.

Monica's menu is based on seasonably available products., sourcing as much as she can locally, showcasing what this area has to offer. Shell fish from Mac's Oysters, local farm eggs and fish from local fishermen. She can provide gluten free buns and wraps. One of her favourite items is the seafood chowder based on her grandmother's recipe. (My husband certainly enjoyed it). Her prices are fair, and although it is cash only right now, she will soon be installing a machine to provide other payment options. When you see the brightly painted food truck on the Fanny Bay wharf, drop by, say hello, and enjoy one of Monica's treats.

## Emergency preparedness is a shared responsibility! Are You Prepared?

Did you know the Comox Valley has 5 Disaster First Aid Stations (DFAS)?

Five medical clinics in the Comox Valley have agreed to provide triage, first aid, and urgent primary medical care to the public in the event of a catastrophic event.

Each clinic will assume the role as a DFAS upon request of the Comox Valley Emergency Program (CVEP) or if the need is clearly evident, such as a severe earthquake.

The clinics have been selected based on their seismic resilience, geographical location, proximity to a pharmacy, and ability to respond in a crisis. Other clinics may be added in the future.

For more info on DFAS, maps and locations, please visit,

<http://www.comoxvalleyemergencyprogram.com/>

Indications are that this will be a dry year and the fire risk will be high. I ask that all folks in Fanny Bay make sure that they are careful and help us have a fire free summer.

## In support of affordable housing

As your local credit union committed to supporting our members, we care deeply about the communities we serve. Right now our communities have a desperate need for affordable seniors' housing. Be it through donations, low-cost loans or mortgages that traditional banking providers choose not to touch, Union Bay Credit Union has always supported community-driven efforts to provide affordable housing options for seniors and families.

As community members ourselves, we also support these projects on a more personal level. Seaview Village in Union Bay, established by the Baynes Sound Lions Senior Citizens Building Society, is the only seniors' housing complex in Union Bay. Two of our UBCU officers proudly served on that Board for more than 10 years cumulatively.

Then there's the Bowser Seniors Housing Society, which is working to create a 12-unit seniors' residence known as Lighthouse Villa. You can find out all about it by stopping by our Lighthouse Community branch in Bowser, where we have a window dedicated to providing information on this valuable project. Better yet, if you feel as strongly about the need for affordable housing in our communities as we do, support the project directly by making a tax-deductible donation at [www.bowser-seniors-housing-society.org](http://www.bowser-seniors-housing-society.org).

You can tell a lot about a community by how it treats its most vulnerable citizens. We're incredibly proud of our communities, from Royston to Qualicum and Denman to Hornby, where we all look out for each other. As your credit union, we're just as proud to represent all community members, regardless of income.

It's what good neighbours do.

(Cont'd from page 4)

Chloe now plays a vital role in the North American early music scene. She is concertmaster of the Pacific Baroque Orchestra, the first violinist and founding member of Les Voix Baroques, and has taken a lead role in the production of numerous recordings and musical projects. She is concertmaster of Nouvelle Opera, as well the recently formed Tempo Rubato with her husband Alex Weimann, and plays principal second violin with the prestigious Arion Orchestra in Montreal. Chloe can be heard with record labels ATMA, Deutschland Funk, Analekta, CBC Records, earlymusic.com and on Bravo television.

**Katrina Russell - Bassoon** Born and raised in Edmonton, Katrina holds a Bachelor of Music Degree in Performance from The University of Victoria and a Graduate Diploma in Historical Performance from the New England Conservatory of Music, Boston. In 1992 Katrina moved to London, England where she spent eighteen years playing both modern and historical bas-

oons. As a specialist in historical performance, she has played and recorded with many of the period instrument ensembles in Britain and Europe, including The King's Consort, The Academy of Ancient Music, The Hanover Band, The Gabrieli Consort and Players, L'Orchestre de la Champs Elysees, and The Amsterdam Baroque Orchestra. In late 2010 Katrina and her husband (British horn player Andrew Clark) relocated to the West Coast, where they have a speciality brass making workshop producing horns and trumpets. Katrina is on faculty at the Nanaimo Conservatory of Music and in addition to returning to the U.K to perform, makes regular appearances with the Vancouver Island Symphony as well as the Victoria Baroque Players, Pacific Baroque Orchestra and Early Music Vancouver.

**Michael Jarvis - Harpsichord** has been acclaimed as one of Canada's finest harpsichordists, fortepianists and continuo players. He has performed across Canada, the USA, England, Italy and Bermuda. He has worked with many of Canada's finest singers and is in demand as a coach and collaborative artist. He has performed with many of Canada's orchestras, chamber ensembles, and summer festivals. He has recorded several CDs, and has many times broadcast nationally and regionally for the CBC, as well as across the U.S. on NPR. His performing editions of 17th and 18th century choral and organ music are published by GIA Chicago.

**F**anny Bay Salmonid Enhancement Society (FBSES) A slow start to spring but maybe it will just head into summer, you never know. Just as Forrest Gump says, life is like a box of chocolates, you never know what you will get. But whatever the weather will be, it's a very busy time at our hatchery.

Our 10th Annual Festival "The River Never Sleeps" is on Sunday May 7th from 10 a.m. to 3 p.m. There are many booths to entertain all, inviting you to ask questions about a variety of subjects. A family friendly concession, 30 dozen oysters on the barbie - thanks to Mac's Oysters, fish painting, FB Fire Department and release of our 13,000 coho smolts. Streamkeepers from all over the Island invite you to ask questions about what is happening on their creeks. Our annual general meeting is on Thursday May 11 at 7 p.m. at the Rosewall Hatchery, all are very welcome to join us. So even with all these things happening our volunteers are

still managing daily smolt counts in Mud Bay Creek, Cook Creek and Wilfred Creek. These coho smolts, after 1 ½ years in fresh water, are heading out to the ocean. The small trees we receive from different sources are potted up for various volunteer groups on the island and our volunteers are feeding, cleaning tanks, and always working on general clean up.

We have almost completed the coho and chum ponding. This year, at 'The River Never Sleeps Festival', there is a great opportunity to see chum and coho fry, as well as coho smolts. It is interesting to see how the 'little ones' grow over the year that they are with us. Also, very educational to see the difference between the chum and coho fry.

If you would like to join us on a Wednesday or Saturday work party and learn more about what our volunteers do, our hours of operation are 9 am to 12 pm, Rosewall Creek on Berray Road. For more information, visit our website [www.fbses.ca](http://www.fbses.ca).

(Cont'd from page 2)

Due to the age of the old pipes there may be some un-planned interruptions to water service. Please keep some drinking water on hand. Every effort will be made to provide 48 hours notice for planned interruptions to water services. The SPID Board has constituted a **Project Liaison Team (PLT)** to act as the contact for ratepayers. If you have a non emergency question or concern about the project please contact one of the following Trustees by phone or text.

- Dave Henderson cell: 250 702 5724
- Jackie Ainsworth cell: 250 702 6000
- Pat Gordon cell: 250 893 5193

There will be regular updates on construction activity on the website at [spid.ca](http://spid.ca) and on Facebook.

If you know your neighbors do not use computers please keep them up to date. Thank you.

**Reminder:** SPID is collecting emails in order to communicate project plans and timelines and to serve SPID in an emergency situation. The collected information will remain confidential and is for SPID's use only. Forms are available at the office or online at the website [spid.ca](http://spid.ca)

Office hours are Tuesday to Friday 1:00 pm to 5:00 pm. Appointments can be arranged by emailing [shipspt1@shaw.ca](mailto:shipspt1@shaw.ca) or phone 250 335 0551.

The Fanny Bay Flyer is published monthly (except January) by the **Fanny Bay Community Association [FBCA]**, a non-profit society and registered charitable organization.

Opinions expressed in the Flyer are not necessarily those of the FBCA or the editor. While every effort is made to ensure the accuracy of the Flyer's content, neither the Association nor the Editor assume responsibility for any misprints or errors, which may appear in the information given and printed within.

Submit camera ready artwork - pdf, jpg, gif, tif - or inquires to [flyer@fannybaycommunity.com](mailto:flyer@fannybaycommunity.com)

The **FBCA Board of Directors** will promote activities that enhance the quality of life for Fanny Bay residents.

The Board seeks community input, invites participation, encourages the use of the Fanny Bay Hall as a place to gather, share, foster and deepen the sense of community while maintaining the existing structure in good condition.

The FBCA gratefully acknowledges the support of the Province of BC through a Community Gaming Grant which enables the delivery of low cost programs & activities.
