**Join us to help make
HALLOWEEN 2020
fun for all!**

**Give your vehicle a Halloween make-over
& park it at the Fanny Bay Community Hall
on Halloween Day as part of the FBCA
Halloween Upside-down Parade!**

October 31, 2020 3-6 pm

ALL VEHICLES MUST PRE-REGISTER

**See FBCA website & Facebook
for details & registration form**

DON'T FORGET TO ENTER THE JACK-O-LANTERN CONTEST!!

**Simply bring your carved pumpkin to the Hall
on Friday Oct. 30th between 5 & 7 pm.
All ages, all abilities welcome!**

How the parade will work:

- 🏠 Decorated floats will park along the edge of the parking lot, while the audience parades safely in their own vehicles past the floats! An upside-down version of a regular parade.
- 🏠 Volunteers will decorate the Hall porch with ghosts and other things that go bump in the night.
- 🏠 Each decorated vehicle (float) will be parked to show off their decorations. Each will be numbered so that audience members can vote for their favourites.
- 🏠 Jack-o-lanterns pre-entered by residents of all ages will be displayed at points along the parade route. Each will be numbered so that audience members can vote for their favourites.
- 🏠 Everyone in audience vehicles will be given voting cards to complete by the end of the parade.
- 🏠 Audience members must remain in their vehicles for the length of the parade.
- 🏠 All youngsters in the audience vehicles will be given a bag of treats at the last display in the parade.
- 🏠 Voting cards will be collected just before treats are handed out. The most favourite floats and jack-o-lanterns will be announced on the Hall sign, on Facebook, and in the December Flyer.
- 🏠 Fanny Bay & Ships Point Firetrucks will park in the middle of the lot with firefighters acting as safety personnel, with help from a few ghouls and goblins.
- 🏠 Firefighters will control the flow of vehicles in/out of the area and along the route of decorated vehicles.

LET'S HAVE FUN BUT STAY SAFE THROUGH THIS COVID HALLOWEEN!
