

## **MISSION STATEMENT**

To promote a safe, respectful place for the community to gather.

## **CORE VALUES**

### Respect, Inclusiveness, & Integrity

*We treat all people with dignity, respect, and integrity. We are committed to helping create a strong community in which individuals from all cultures, backgrounds, beliefs, and genders are able to develop mutual understanding and respect.*

### Leadership

*We rise above challenges and work through adversity to reach our mission.*

### Teamwork

*We consistently demonstrate our commitment to working with others to create the best outcomes. We believe that collaboration with other community groups, public sector groups, and private businesses improves our ability to enhance our resources and deliver better services.*

### Quality & Excellence

*We strive for quality and excellence in all we do.*

### Innovation

*We foster creativity to challenge constraints and embrace improvements which move us forward.*

### Environmental Responsibility

*We will meet the challenges of climate change by adopting good environmental practices and promoting environmental sustainability in our operations.*

### Financial Responsibility

*We recognize that it is the best interests of our members and the community to plan for a financially sustainable future based on sound management, cost effectiveness, and increasing our income generation.*

### Transparency & Open Communications

*We value the opinions of all people, and strive for openness and honesty in all our interactions and communications. We encourage feedback from our members and the public to ensure the programs and activities we support continue to reflect locally identified priorities.*
