HISTORY

The FBCA was incorporated and registered as a society on December 10, 1931, under the title *Fanny Bay Athletic and Social Society*. Through the past 9 decades it has morphed into the current energetic registered charity, with over 200 members.

Our Community Hall, completed in December 1931, was built on land donated by pioneer, Abe McLauchlin, and constructed primarily with volunteer labour and a whole lot of donated materials. Thanks to the ongoing generosity of Fanny Bay residents, local service organizations and businesses, and grants from various charitable foundations and local and provincial governments, the Hall continues to act as *the* place in our community to congregate and fraternize with neighbours.
